

Figured dimensions must be taken in preference to scaled dimensions and any discrepancies must be referred to Urban Designs Ltd. Immediately. Contractors, subcontractors and suppliers must verify all dimensions on site before commencing any work or making any workshop drawings. Any indication of services is approximate only and full investigation should be carried out on site prior to commencing the works.

Drainage strategy
Surface water to drain to soakaways subject to percolation tests.
Foul water to have indirect connection from existing drainage system into main sewer

Provision of 0.05ha of Green Infrastructure

51.8m
