Consolidated Charity of Burton	16/04/2019	email	meeting with John Southwell (Clerk) and Ben Robinson (trustee 08/05/2019. There are main committees and sub committee meetings (a total of approx 22 meetings per year- depending on the sub committees which they have been appointed to). They were complimentary of the Cllrs appointed who are good at attending the meetings; they value the contribution that Councillors bring to meetings, as they have beneficial local knowledge to help determine applications. Their Constitution states 5 Cllrs to be a trustee, however if we deem to reduce the number of Council reps they would be able to amend their Constitution accordingly.	https://www.consolidatedcharityburton.org.uk/	5

East Staffordshire Sports Council	16/04/2019	letter	<p>We find the inclusion of the Councillors important for the following reasons:</p> <ol style="list-style-type: none"> 1. It is in our constitution. 2. We are delivering a small grant scheme on behalf of the Borough, and the inclusion of the Councillors provides good governance for the effective spend. For your information, our running costs are less than £350 per year on a grant of £7500 awarded to local amateur sports clubs. <p>Their knowledge of the local area is helpful in ensuring the awards reach eligible clubs.</p> <p>They are enthusiastic about sport, and the local area.</p> <ol style="list-style-type: none"> 5. Many of the Councillors remain on the Sports Council after being deselected by the Borough to reflect their interest in local sport. 		1
