The land charges this actions relies on are created by a three departments of the Council, that is: Planning, Environmental Health and Building Control.
<b>9</b>	<b>Who is it intended to affect or benefit (the target population)?</b> Borough residents and visitors within a regional catchment.

**10 Equality impacts**

The Public Sector Equality Duty requires public bodies, in the exercise of their functions, to have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.

**Within this table, state whether the policy, function or service will have a positive or negative impact across the following protected characteristics and provide any comments.**

	Positive Impact	Negative Impact	Comments
Age			Impact neutral.
Disability			Impact neutral.
Sex / gender reassignment / pregnancy or maternity			Impact neutral.
Race			Impact neutral.
Religion or belief			Impact neutral.
Sexual orientation			Impact neutral.
Other			

**11 What evidence do you have for the statements made in Question 10?**

This function correlates unsuccessful attempts to encourage the owners of empty homes to bring their homes into use, with land charges owed to the Council. Identification of empty homes for enforcement on this basis will not specifically favour or discriminate against any particular group.
