Appendix 4: Responses to Tariff Consultation 2021

Respondent	Comment	Response
Mr Khan:	Hello, this is regarding the proposal to increase the current hackney tarrif. I agree that there should be an increase as the current hackney tarrif is awfully low compared to how much work I do. Due to the current circumstances the increase in the hackney tarrif will much much appreciated. Thank you.	Response sent thanking for comment
QuickTaxi4U	I received and looked through the tariff and comparing with existing one i am going to work on it also I need consultation with other trade members. Please hold this tariff and give us a time to discuss	No further comments have been received therefore no further action to be taken
Mr Nagra	I am confirming that I welcome the proposed plan to increase the Hackney Carriage Tariff, And happily support it. Please do not hesitate to contact me if you need any further explanation or information in the above reference matter.	Response sent thanking for comment
Mr Kabir	In brief I suggest the day rate needs to be higher, it needs to be £2.50 as a minimum, ideally £3.	Response to Mr Kabir and in report to Licensing Committee setting out position if the higher rate suggested is applied. It is for the licensing committees consideration
Mr Hussain	Its great to see that Changes are being made	Response sent thanking for comment and that

	to the tariff however, I was changes to be made to tariff 1.	tariff 1 is included in proposal
Mr Warner	Thank you for your e-mail today. Considering most operators have earned diddly squat in 2020, I find it unbelievable and totally unacceptable! I have paid you over £700 in the last two months and have earned just £180 in the same time. Does anyone there in the Council actually live in the real world!!!!	Response sent thanking for comment
Zenab	Thank you for your email. I will pass this information on to the Hackney Drivers and if they have any questions or comments I will come back to you accordingly.	Response sent thanking for comment. No further comments received
