030.19	Deputy Leader (Regeneration and Planning Policy)	To publish the Council's 5 year land supply statement (as at end of March 2019) and associated appendices.	To support delivery of the Local Plan 2012 - 2031 and assist with planning application decision making and any planning appeals to be held in 2019.	No	No	08/07/2019
031.19	Deputy Leader (Regeneration and Planning Policy)	To approve the appointment of M. E. L. Research to undertake a quantitative survey of businesses in East Staffordshire, following on from the qualitative research in 2018/19.	An update on the East Staffordshire business landscape was presented to Cabinet in March 2019. It was discussed that the Enterprise team could commission a quantitative study of businesses in East Staffordshire in order to further understanding and contribute towards the next annual report at the end of 2019/20. A tender exercise has now been completed and M. E. L. Research achieved the highest score on quality and price, with a price of £11,850. There is a Business Growth Programme reserve that was accumulated as a result of funding previously contributed by the Greater Birmingham and Solihull Local Enterprise Partnership (GBSLEP) towards historic costs of promoting GBSLEP business support programmes. It has been determined that this reserve would be a suitable source of funding to commission the quantitative survey work.	No	No	29/07/2019
032.19	Deputy Leader (Environment and Housing)	To award the contract to Trent and Dove HA for the delivery of a 12 month 'Housing First' intervention offering 5 self contained units of accommodation for entrenched rough sleepers. The revenue for this intervention has been secured from the MHCLG, the award letter is at Appendix A attached.	At the Council in 2018 11 rough sleepers were identified, some of whom have become entrenched. This intervention is new to East Staffordshire, and has a strong evidence base for succeeding with entrenched rough sleepers.	No	No	15/07/2019
033.19	Deputy Leader (Environment and Housing)	To endorse the creation of a partnership of organisations who work with people who are engaged in street living, such as rough sleeping or begging in the borough. The partnership would be a means for raising awareness, as it would be fronted by the charitable/community sector by facilitated by the Council.	This partnership will serve to: - List available support by category and how to access the same - Provide general information about rough sleeping and begging - report a suspected rough sleeper - Receive donations and enlist volunteers	No	No	15/07/2019
034.19	Leader of the Council	To approve the contribution of £5,000 towards a joint study to review the reopening of the Ivanhoe Line between Leicester and Burton.	The reopening of the Ivanhoe line is a priority identified within the Burton Regeneration Strategy (adopted by Council in June 2019) and in the Corporate Plan 2019/20. The Leader of Leicestershire County Council has proposed that a survey of the Ivanhoe Line is commissioned in order to establish the feasibility and appropriateness of reopening the rail line. It has been proposed that the survey is commissioned jointly by the Local Authorities who would be affected by the Ivanhoe Line, with each making a financial contribution towards the cost of the survey. East Staffordshire Borough Council's contribution would be £5,000, which could be met by Growth Point Revenue Reserves.	No	No	18/07/2019
038.19	Deputy Leader (Leisure, Culture and Tourism)	Updated and minor amendments to the Tree Management Policy	The original policy has come to the end of its three year cycle. However, the details within it remain relevant to the management of trees in the borough	No	No	06/09/2019
040.19	Deputy Leader (Regeneration and Planning Policy)	To transfer monies from two S106 contributions to the National Forest Company to be spent on the maintenance of three publicly accessible woodlands at Dunstall, Tatenhill and Anslow. Both S106 agreements include clause relating to the provision and management of tree planting. All monies have been provided by the relevant developer to the Borough Council, totalling £14,658.92.	The three existing woodlands are in need of maintenance, which will ensure their health and longevity as well as improving accessibility and visitor experience. Maintenance will include the following: *Ride widening, which is coppicing or removing the first few lines of trees next to a path out and make it easier for public access. *Replacing way markers and interpretation boards. *Installation of bird and bat boxes *Removal of rabbit fencing and tree guards	Yes	No	22/07/2019

042.19	Deputy Leader (Regeneration and Planning Policy)	To consult on the guidance for a period of 6 weeks between August and September.	There is currently no Planning Obligations guidance or Supplementary Planning Document. Whilst some general information is available online for applicants, there is no specific document which clearly set out what obligations will be expected for particular types of developments. Policy requirements are set out in various documents which applicants don't always refer to when submitting applications. Guidance has been prepared, summarising all policy requirements in one document. For some requirements, there is no set formula, such as highway improvements which are determined on a case by case basis, and for others, the planning obligation is requested by a separate organisation such as the Clinical Commissioning group. Applicants often submit applications without regard to planning obligations which causes a delay to the planning application process. Providing short concise guidance will assist applicants understand the requirements at the start of the application process, ensuring applications are determined within the statutory timescales.
