POLICE**

**TAXI DRIVERS ARE  
IN A UNIQUE  
POSITION TO HELP**

**If you suspect a child may be at risk, or have any information relating to child exploitation, we would like to speak to you.**

# SPEAK OUT

## Against Child Exploitation

STAFFORDSHIRE  
**POLICE**

**Please don't hesitate to get in touch.** Information, however small it may seem, can help police build a bigger picture of what's going on and help stop children being exploited. Intelligence can help the police to build a vital picture about exploitation, an ongoing incident, identifying victims and offenders. This contributes to helping keep potential victims safe and bringing offenders to justice.

- In an emergency always call **999**.
- Visit your local police station.
- For non-emergency matters contact us on **101** or through **our social media channels** (Facebook or Twitter)
- To report a crime anonymously, contact Crimestoppers on **0800 555 111** or visit **[www.crimestoppers-uk.org](http://www.crimestoppers-uk.org)**
